KEY CLUB INTERNATIONAL BOARD OF TRUSTEES BOARD COMMITTEE REPORT

Consent Report

Action Report

a. Amendment to Key Club International Bylaws

The definition of high schools and their equivalent educational institutions in regards to grade levels varies. In order to give everyone equal opportunity to further leadership capabilities, the proposed amendment limits members to holding elected offices in Key Club International for a maximum of four years. The board is considering postponing the effective date of the amendment to go into effect for the 2015-2016 Key Club year.

Recommendation #1: That the Key Club International Board considers postponing the effective date of the amendment below, set to be presented to the House of Delegates at the 2014 Key Club International Convention in Anaheim, CA, to go into effect for the 2015-2016 Key Club year.

Section 1. The membership of individual Key Clubs shall consist of students from the four upper classes (or the five upper classes in the Canadian Provinces where high school is of a five year duration) of the high school in which they are enrolled (or in ungraded schools whose members shall be of age comparable to the four upper classes of high school), interested in service and qualified scholastically by school district requirements for extracurricular activities and of good character.

Members may only hold office at any level of Key Club International for a maximum of four years. No potential member will be denied the chance of membership in Key Club due to previous service experience or lack thereof.
