

Key Club Week Service Challenge

Volunteer outreach guide | October-November 2026

Help bring Key Club members, alumni and Kiwanis clubs together through service. With the Key Club Week Service Challenge, you can build local connections and celebrate the collective impact of the Key Club community. Show that service continues long after Key Club!

Serve anytime from October 1 to November 6. Complete a project throughout October or during Key Club Week, November 2-6. Projects can be big or small! Plan something new, join an existing effort or partner with a local Key Club, Kiwanis club or alumni. Find or post opportunities on the [Alumni Network Volunteer Board](#).

Then share the impact. Submit service hours, photos and project highlights through the [service reporting form](#) so we can celebrate the work together.

Outreach and communications at a glance

You can help reach Key Club alumni, Kiwanis clubs and Key Club districts, divisions and clubs. Share official posts and graphics, send personal invitations and ask district and club leaders to pass along the opportunity.

Timing	Communications focus	How you can help
Early October	Launch posts, email and e-news	Share the launch and invite your contacts.
Mid-late October	Project ideas, connections and early highlights	Invite groups to serve and report October projects.
November 2-6	Key Club Week reminders and spotlights	Reshare posts, prompt hours and photo submissions.
After November 6	Thank-you posts and impact recap in social and e-news	Follow up on reporting and share the recap.

Messages to copy and share

Launch post: Service connects us, whether we're Key Club members, alumni or Kiwanis members! The new Key Club Week Service Challenge invites us to serve throughout October and during Key Club Week, November 2-6. Join an existing project, plan something new or team up with a local club. Projects both big and small count! Submit your hours and highlights so we can celebrate our collective impact.

Personal outreach: Hi [Name], will you help bring the Key Club family together through service? The new Key Club Week Service Challenge invites members, alumni and Kiwanis clubs to serve together throughout October *and* during Key Club Week, November 2-6. Your group can join an existing project or organize one, then report hours and highlights to show what we can accomplish together. Would you share this opportunity with your club or network and encourage them to participate? [Learn more here!](#)

Reporting reminder: Your service is part of a bigger story! Did you participate in the Key Club Week Service Challenge? Share your hours, photos and highlights so we can celebrate our collective impact! It's simple — just [use this form](#).
