SERVICE LEADERSHIP FOR
HIGH SCHOOL STUDENTS

KEY CLUB

Who joins Key Club?

Key Club members are the leaders of tomorrow. And they're the energetic, dedicated teens of today.

They're high school students, and something more—they're passionate about making a difference in the world.

They're discovering their heart to serve, answering their call to lead and igniting the courage it takes to build real relationships. Caring is their way of life. They step forward when others stand still. And because of that, their schools and communities grow stronger.

Thanks to Key Club. And thanks to people like you.

Why they need you

You can help shape the next generation of leaders—while helping teens build stronger communities through service. Your impact is both measurable and inspirational. Through Key Club, you can:

- Inspire students to believe in their ability to change the world.
- Motivate students to succeed in and out of the classroom.
- Encourage leadership that transforms ideas into meaningful action.
- Generate a more caring and inclusive school climate.

Why it works

Key Club is the largest and oldest service organization for teens. There are more than 5,000 Key Clubs around the world. In each of those clubs, members work together to improve their schools and their communities. Their service also increases the visibility—and enhances the reputation—of both the club and school or organization they represent. The program is designed to fit member and volunteer interests.

- **It's student-led.**

Key Club is uniquely built on the belief that amazing things happen when students are empowered to take the lead.

- **No two are alike.**

Each Key Club is an independent entity—designed for its members, by its members.

- **Your needs matter.**

Each club determines its own meeting schedule, service projects and other activities in order to fit the needs of advisors, members and sponsors.

- **You're not alone.**

Adult volunteers, staff and elected student leaders at the regional and international levels are there to support each club's success.
