# DANA FORDE

## Caribbean-Atlantic

Dana Forde is a 17 year old student of the Harrison College School and the current Governor of the Caribbean-Atlantic District. The Barbadian-born National is an avid baker and loves reading books, her favorite genre being the classics. Being the Governor of her District, Dana resonates most with the Key Club core values of leadership and inclusiveness and is constantly striving to think outside of the box and be the best version of herself. Gov Dana is currently in her final year of secondary school where she is currently pursuing Physics, Chemistry, Maths and Caribbean Studies and is looking forward to enrolling at a University next year to pursue an engineering degree.

# ARNAV CHATANI

## Jamaica

Hi everyone, I am a 17-year-old currently in Grade 11 at the American International School of Kingston in Jamaica. I serve as the District Governor of Key Club Jamaica, but besides Key Club, I really love watching and playing football (soccer) and tennis. This year marks my fifth year in Key Club, progressing through the positions of Club President and Lieutenant Governor along the way. I hope to continue to serve those in need while having fun doing so throughout this upcoming Key Club Year and looking forward to making new friends along the way.

# ALEAH OTABOR

## Bahamas

Hi! Aleah here, District Governor for the little but GREAT Bahamas district. I'm apart of the keyclub at Nassau Christian Schools where I am currently in the 12th grade #Classof2022. I enjoy reading, playing softball and binging shows on Netflix.

# PURPOSE

# OF THE PANEL

Key Club is an international organization, so let's hear the experiences from our international districts.
