YOUTH PROTECTION POLICIES & PROCEDURES (effective February 2020)

These policies can be found in Kiwanis International Policies and Procedures as Procedure 432.

All adults working with youth under the age of 18 at any Kiwanis event are required to read/understand, agree to and abide by these policies.

Education: Every Kiwanis club is expected to inform and educate its members on these guidelines, best practices and required actions for individuals who become aware of youth in potentially harmful situations. This education must occur annually, including providing a copy of these guidelines to each club member. Every Kiwanis district is expected to provide an educational forum or workshop at every district-produced convention and conference regarding guidelines and best practices for adults working with youth, using materials provided by Kiwanis International.

Chaperone: A chaperone is defined as a Kiwanis member, faculty member, parent, legal guardian or person who is in loco parentis, twenty-one (21) years of age or older, who has been approved by the school or agency and registered with the school or agency to accompany the youth members at the specific event.

Chaperone addition (Effective May 1, 2020): A minimum of one adult per 10 students must be serving as chaperones during the entirety of the event. All chaperones (club members and non-members) participating in any single-day or overnight service leadership program event must have a clear criminal history background check and must have completed Kiwanis International annual youth protection training. Additionally, chaperones must follow all applicable policies and procedures. (See also Procedure 432.)

Criminal history background checks: Kiwanis International requires clubs to have a clear criminal history background check for any club member serving as an advisor to any Service Leadership Program club. The check must be conducted and verified by Kiwanis International. Persons without a clear criminal history background check may not serve as the advisor. Approved background checks shall be valid for no more than two years. Kiwanis advisors shall acquire a new criminal history background check upon their initial appointment to the position.

District administrators for Service Leadership Programs (Effective May 1, 2020): Kiwanis International requires all SLP district administrators to complete an application process, which includes submission of a completed application, having a clear background check conducted and verified by Kiwanis International and completion of Kiwanis International youth protection training and any other elements that may be required by Kiwanis International. After receipt of an individual's application and verification of all required elements, Kiwanis International will review the information and decide, in its sole and absolute discretion, whether the individual is accepted to become an SLP district administrator. Kiwanis has no obligation to allow an individual to become an SLP district administrator based solely on a "clear" background check. Denial may be appealed via the process outlined in Procedure 197.

Overnight events (Effective May 1, 2020): All adults (club members and non-members) registered for or staying overnight at any Service Leadership Program event must have a clear criminal history background check and must have completed Kiwanis International annual youth protection training. However, parents/guardians of participating students who are not chaperones may attend the event for a maximum of one overnight stay without a criminal history background check.
