FOR INTERNATIONAL PRESIDENT

Unanimously Endorsed by the Texas-Oklahoma District

HEY KEY CLUBBERS!

I hope that everyone is having an amazing time at this year's convention! My name is Lilian Thai and I am an upcoming senior at Garland High School in Texas. This past year, I had the honor of serving as the District Governor of the mighty T-O district. This position has allowed me to serve on the i-council and gain insight on the key issues within our organization. I'm ready to take the next step and make an impact on the international level. As Key Club continues to recover from the pandemic, my platform focuses on **Engagement, Diversity & Equity**, as well as **Communication**.

Yours in Friendship and Service,

 lilianxthai

LISTEN

to our districts, clubs, and members through the use of mandated office hours for the I-board, monthly calls with governors and trustees, and quarterly feedback forms for districts and members.

ORGANIZE

INTERNATIONAL VICE PRESIDENT

ABOUT ME

Hello, my name is Layla Nguyen, and I am an incoming senior. As your International Vice President, I will commit myself to enhancing the Key Club experience. What I have noticed throughout the year is that in the beginning, there is more effort and participation from clubs; while near the end, it is more apparent that members lose interest. I plan on breaking the service year into two semesters: one focusing on growth and the other on retainment to maximize the impact of clubs. Reach out with questions or comments, I am always open to hearing your thoughts!

See you soon,

Layla Nguyen

SEMESTER 1: GROWTH

- Create an orientation program and packet for new, emerging clubs to ensure a successful start
- Recruit professionals to provide insight on unique ways to booster member experiences
- Find new channels of communication to bolster interclub collaboration
- Actively recruit members who have connections overseas to promote Key Club
- Install both an anonymous & public line of contact where board members can share their ideas, thoughts, or needs
- Host monthly office hours and visit district and club board meetings to increase International presence
- Create monthly statements/announcements for International Trustee's newsletters

SEMESTER 2: RETAIN

- Create a competition within sistricts to promote Key Club activity and strengthen communication with districts
- Enhance social media presence to gain a larger following and engagement
- Set up a transitioning system for clubs and districts to streamline flow of information
- Host a Q&A with the international board to share ideas and experiences in hopes to encourage members to run for various leadership positions
- Utilize members to promote international convention on social media platforms to better connect with Key Clubbers

Hello Key Clubbers,

It is delightful to be in Washington D.C. with all of you for ICON!!! I am very excited to be here, to meet new people and to make lifelong memories. Since my first year, serving as freshman class director, I have loved Key Club. As a sophomore I was elected Lieutenant Governor of Division 21 and was appointed chair of the Endowment Committee. This past year I served as the District Treasurer and Financial Committee Executive Advisor. I have learned so much from each role and happily devoted my time, because I knew that what I was doing contributed to this organization which I care for so much.

Outside of Key Club, I continue to spend my time volunteering. Every Saturday morning, you can find me volunteering for our local food pantry: Boca Helping Hands. I also treasure the time I spend volunteering at the largest no-kill shelter in the country, Big Dog Ranch. Combining my passion for reading and service, I founded a project 'Read to Succeed', a literacy empowerment program focused on helping mentor and tutor foster children.

In closing, we are all here because of how much we love and value this organization. I am so excited to continue serving and I would be honored to be your next International Vice President.

Thank you for your support and inspiration!

Strengthening Communication
Accessibility
Increase Engagement
Language and Translation

Yours in service and friendship,

Strengthening Communication:

- Enhance communication to share ideas and improve service
- Develop a pen pal system to allow club members & officers to exchange ideas
- Establish a Group-Chat for non-Governor District Executives and improve our districts by sharing resources and ideas
- Conduct monthly webinars to provide information from international to district and club levels. Reward involvement with certificates to those who attend 5 meetings or more

Increase Engagement:

- Key Clubbers are the greatest strength to the club, but COVID adversely affected membership numbers and service involvement. In order to increase membership and service:
- Charter more Key Clubs in underrepresented areas
- Produce resources (info graphic and contact information) to allow clubs to connect with service partners
- Collaborate with resource partners to bring more enthusiasm to service!

Accessibility:

- Improve Key Club International website via improved navigation
- Restructure resources tab to access information more readily
- Create ICON tab on website with updates and most current information

Language and Translation:

- Most Key Club documents are produced in English and are quite lengthy.
- By continuing to abbreviate documents, as this past year's Global Outreach committee has begun doing, we can more easily translate them into several languages for all Key Clubbers to access

MAYA CALUGARU

FOR INTERNATIONAL TRUSTEE

Howdy Key Club International!

My name is Maya Calugaru and I am excited to be running for the position of International Trustee at our first in person International Convention in years!

The election of new International Trustees brings a time for continuity of traditions and the implementation for fresh, new ideas. My plan encompasses innovative ways to better the Key Club experience, cultivate connectivity through community, and bring more opportunities for growth internationally, which will allow us to **ROCK** with service for years to come.

Yours in Service and Friendship,

Maya Calugaru

Resources

- Construct an officer certification program to educate officers and build a strong foundation
- Focus on the creation of resources to further a sense of community with rural clubs
- Advocate for a resources task force to focus on the refining, modernization, and accessibility of resources for all

Outreach

- Advocate for the inclusion of international clubs and for district formation
- Host program and partner nights to promote opportunities for members through social media
- Highlight equity and diversity to clubs and advocate for speakers at ICON to help us evoke change

Community

- Host sistrict-wide service projects and fundraisers and highlight member and club progress
- Help districts work towards 90%-100% hybrid structure engagement during the year
- Host open "trustee calls" to establish transparency and maintain communication throughout the year

Kiwanis

- Empower districts to create bonds with their Kiwanis counterparts and other Kiwanis Family branches
- Create a Builders Club outreach program to increase membership retention after middle school and help members continue their Kiwanis family journey

AHMED ELDEEB

FOR INTERNATIONAL TRUSTEE

Hello Key Clubbers!

Let's get pumped! This is our first in-person ICON in two years and I am extremely excited to be able to celebrate our service and leadership together this year. My name is Ahmed Eldeeb, and I am beyond honored to be running for a chance to be International Trustee. This past year, I served as the Division 7 Lieutenant Governor and the DCON Registration Committee Chair in the Florida District. Through these positions, I have come to understand the importance of student leaders in our homes, schools, and communities. To ensure members can continue and expand their impact, I developed my platform GREEN. Check it out below! Feel free to reach out with any questions and I hope to see you around DC!

GROWTH. After bouncing back from the pandemic, it is time to look to increase our membership through promoting our new International partners and aiding districts struggling with dues by strengthening campaigns and promotions. Top priorities include implementing policies and taking action to help increase membership by working alongside the assigned governors and boards to find the most efficient ways to have membership increase.

RETENTION. Retaining membership is crucial. As a member representative on Key Club International's Membership Retention Task Force, I was able to help create guides, videos, and resources to retain membership across Key Club International. To expand this upcoming year, priorities will include setting catered goals and distributing resources with assigned districts.

EQUITY. With the vast amount of diverse Key Clubs in KCI, it is important to emphasize and aim to achieve equitable service and leadership opportunities. I plan on working with the International Board to reduce Key Club event costs, increase awareness and support for "non-traditional clubs," and ensure a positive environment for people of color and underrepresented Key Clubbers.

EDUCATION. Due to the pandemic, many clubs have various new members that are unfamiliar with Key Club's format and structure. This part of my platform focuses on creating ready-to-use workshops for clubs and LTGs who looking to host events or teach new things. I plan to create resources to help Districts educate members on International partners and funding initiatives.

NECESSITIES. All Districts and Governors are unique; therefore, by focusing on their different demands and needs, I will be able to create individual plans for aiding them. This will not just be limited to monthly calls but done through weekly texts, frequent surveys, and more. I promise to be a flexible trustee who can adapt to my Sistrict's needs.

My Experiences Include:

- Robert F. Lucas Outstanding Lieutenant Governor
- DCON Registration Committee Chair
- Member Representative on the International Membership Retention Committee
- YOF and FLOF Coordinator on the Financial Committee
- Zones D&L Key Club Kickoff Conference Chair

Adaptability & Understanding

- Adapt and compromise to work with various cultures and languages
 - Have Key Club members assist with translation of materials to overcome language barriers
 - Learn & understand different cultural nuances to assist in developing programs and partnerships
- Understand district needs
 - Research - What are districts looking for? What do districts need? How can districts be helped?
 - Seek district opinions for use in developing International plans

Hi-hi Key Club International!

What a crazy year it has been. This past year, I've served as the Lieutenant Governor of NYDKC's Division 8, the largest division in our district. As unforgettable and incredible as that has been, I am first and foremost, a member of Key Club International. Throughout my journey as a Key Clubber, I've been able to develop my leadership skillsets, form lifelong relationships, and enjoy many new experiences. Now, I'd like to use what I've received to give back and pay it forward, helping the future generation of Key Club, so that others can have a similar journey. In order to set that future as an International Trustee, I need your help.

Yours in Care and Service,

Esther Kim

Development & Growth

Why Key Club?

GROWING UP I WAS ALWAYS A QUIET, SHY AND AN INTROVERTED PERSON BUT KEY CLUB HAS REALLY HELPED ME TO BRING OUT MY PERSONALITY.

WITH MY LEADERSHIP POSITIONS, PARTICIPATION IN PROJECTS, COUNTLESS MEETINGS AND INTERCLUBS IT HAS REALLY TAUGHT ME HOW TO BECOME A SOCIAL BUTTERFLY AND SOCIALLY AWARE INDIVIDUAL!

DESTINATION 1:

Adapting to Virtual Platforms
Using virtual platforms to our advantage to bring members of all cultures within key clubs closer.

DESTINATION 2:

Access to Resources

Providing all districts with the equal amount of resources.

Why the international trustee position?

WHY NOT? I BELIEVE THIS POSITION IS AN AWESOME OPPORTUNITY TO CHALLENGE MYSELF AND ALSO BRING ROOM FOR GROWTH AND IMPROVEMENT. COMING FROM A SMALL ARCHIPELAGO OF ISLANDS WHICH ARE CHAINED BY THE CURRENTS OF SEA IT'S NOT UNCOMMON TO SEE HOW MANY PEOPLE ARE ACTUALLY CONNECTED DESPITE THE DISTANCES AND THIS IS HOW KEY CLUBS SHOULD BE. NO MATTER WHO YOU ARE OR WHERE YOU'RE FROM WE ALL SHOULD BE CONNECTED BY A CHAIN OF LEADERSHIP CHARACTER BUILDING, INCLUSIVENESS AND CARING. WITH MY CONFIDENCE, PRECISION, AND DETERMINATION I CAN GET US THERE!

DESTINATION 3:

Recruitment Rebrand

Rebranding recruitment in a fun way to make it more inclusive and interesting to draw more young people in.

For International Trustee :)

Hello Key Clubbers!

My name is Brandon Magloire, and I am stoked to be running for International Trustee for the 2022-2023 service year! Looking at my Lieutenant Governor term in retrospect, I have learned so much, made so many friends, gained so many experiences, and nurtured my love for service and bettering my community. I am now ready to take the next step by running for this position, and I would be honored if I were to be selected as one of your trustees. Key Club has done so much for me and has substantially aided in my leadership skills and development, I would love to give back to Key Club by having the privilege of serving on the International Board, where I can make a difference at a higher level. With a little water and some love and attention, we can **BLOOM** together.

Yours in service and friendship,

Brandon Magloire

B

- **Bountiful** is the perfect way to describe Key Club, many and various. I want my sistrict to continue in that same path of abundance. Abundant in membership, love, and most importantly, service. I will work towards my sistrict to continue to resemble a bouquet of flowers, each flower being different and unique in its own way, but overall working together to make up the greater whole.

L

- Encourage **leadership** and involvement within my sistrict through leadership seminars, interactive social media campaigns, and active support through group office hours and individualized one-on-one appointments.
- Encourage and reinforce crucial leadership qualities, such as communication, reflection, Integrity, teamwork, etc.

O

- Accommodate board members' various communication styles.
- Try new social media campaigns to increase engagement.
- **Optimize** existing methods to increase club growth and bolster our existing club base.
- I work well with team-oriented tasks and I am a reliable person to delegate tasks to.

O

- I want to make it a point to closely **observe** my sistrict and learn its many moving parts and established systems, as every district has its own unique structure and setup.
- I am especially receptive to feedback and I am an active listener, this will translate well to being on committees and the I-board.
- I plan to create personalized plans of action for my districts to fulfil my goals of membership growth, fufiling dues quotas, inciting participation in international events, and much more.

M

- As we make our way out of the pandemic, I want to revitalize excitement and zeal regarding Key Club, by encouraging more interactive service projects and campaigns, creating **motivational** graphics for the sistrict instagram, and keeping the mental health of board members at the forefront, to keep them rejuvenated and ready for service.

EXTEND

More Spanish-speaking content. Soy un gringo, pero puedo hablar español casi conversacionalmente, especialmente cuando tengo el tiempo a hacerle correcto. También tengo muchos amigos hispanohablantes quien pueda me ayudar. I will work with members from disabled communities and disabled youth to draft a plan for high school Key Clubs to become more inclusive to those with physical and mental disabilities. We will then distribute that plan (probably working with District Webmasters and Editors if they aren't too tired of me) around the districts to launch the inclusion initiatives. Provide social justice awareness resources to help us to work even more closely as a family and to help our beautiful and diverse organization to become even more beautiful and diverse.

PRESENT

Presenting myself through constant availability and officer hours. Being Present (I know... bad pun. I couldn't help myself).

Presenting monthly prompts to spur conversation about ethics relating to service.

EXPLAIN

Explaining international board actions through Social Media content. We'd be making a lot of bylaw-related videos. It would be beautiful.

Releasing documents monthly explaining international actions and district initiatives. Work closely with districts to do so.

Explain KCI through social media and other such content.

ORGANIZE & PREPARE

Organizing work between districts. I would like for this to involve facilitating and suggesting such collaboration at the discretion of the districts. The idea is not to be annoying, but helpful and present.

Preparedness, I have often found, is as much about environment as anything else. Not meaning the physical environment, that is, but referring to a community

environment in which, by being kind and

understanding, we can all help each other be more prepared and collected. This may even take the form of us helping one another actually complete tasks. The key aspect is that it is situational and personal, very much constructing a community.

LEARN

Learning from and about one another. Community is key. Build community through constantly open communication with me and each other, meetings just for the sake of being friends (potentially optional), providing content concerning personality types and ways to work with others, and a constantly flowing fountain of encouragement from yours truly. Learning about social justice and ethics. We need to thoroughly abandon saviorism and selfishness in our service. We need to really understand the communities we intend to help and really understand the (often very complex) situational aspects of each community and issue. This will be done through awareness programs, literary recommendations, and personal experience.

Curran "Smiley" McDerment

President of Key Club

Re-Founder of Students Stand Up, the school activism club (re-found meaning completely rewrite the bylaws, work with administration, re-establish the club's official standing, and take membership from 0 to around 30)

Founder of the Fair Trade Organization, the ethical consumerism advocacy group that maintains an interorganizational database and shopping guide (logging hundreds of companies and organizations)

Founder and President of BRHS Debate Club

Classical Pianist

Loving Gardener

Avid Tea Drinker

PERSONALITY

Key Club, as an organization, is chalked full of personality. We have massive themed parties (officially known as district conventions) where we do our business. We name hedgehogs as mascots (I am personally a fan of Herbie the Hedgehog of Divisions 17 and 18). We have acronyms for everything! What is Key Club other than personality? I will pledge my efforts and time to fostering the Key personality and to use my own (rather distinctive) personality to the service of the organization through a sense of humor, fun, and whimsy.

ETHICS

Providing for ethical discussion by releasing prompts as mentioned above.

Providing educational resources regarding ethical service of all kinds to members and officers alike.

Remaining very mindful of inclusion, equity, and the exclusion of saviorism.

OPPORTUNITY

Everyone should have the opportunity to serve their communities. I believe that Key Club provides a way for people to do so. Hence, I want to make Key Club highly accessible to everyone:

1. Increased Spanish Content (as discussed above).

2. Guidelines for the participation of disabled persons (as discussed above).

3. The advancement of chartering clubs in a wide variety of high schools, working with individual districts, zones, and divisions to figure out what high schools may be facing what challenges and working to overcome those barriers.

PHILANTHROPY

Service should be Selfless and Community Oriented, Philanthropic, not self justifying. We don't do service purely because it makes us feel good. We need to truly recognize that.

EQUITY

The redefinition of Key Clubs' approach to service.

Active encouragement of minority participation

LENIENCY

Defined as being "more merciful or tolerant than expected" by Oxford languages.

People need to voice their concerns. More than we ever could, members and officers are closest to the service and have the best understanding of their communities. We must therefore:

1. Provide members and officers a safe place to share feedback.

2. Take active steps to be as tolerant as we can be, providing leniency in our reaction to their concerns and in how we adapt to the concerns. It's really about tangibly keeping an open mind.

My name is Curran Alathean McDerment. I have been awarded the nickname "smiley" because of the amount that I smile and the (as far as I've been told) contagious nature of that smile. I have founded two organizations, studied computer coding and graphic design, read extensively, studied classical piano for 11 years, and served as representative, vice president, and president of my chapter of key club. Of all these things that I have done, I'm glad to be known as Smiley. Above all else, service to others is about them as people. Making people smile is why we do what we do. Seeing every human being as an individual, valuable, and important person is the key to good smiling personable service.

- Promote new initiatives, leadership opportunities, and service projects by being involved in the idea development and implementation processes.
- Gain outreach through advertising and social media, and strengthen resource distribution.
- Reach out to clubs that have been inactive due to COVID and work on reactivating them, as well as work on building new clubs.

Organize

- Establish specific plans related to growth, projects, and ideas for the year and provide a layout of the service year ahead.
- Host bimonthly informational and bonding events such as game nights, "Trustee Talks" and Q&A sessions to educate and connect my sistrict.
- Keep an up-to-date schedule and record book of events and activities to do, and update it at the discretion of my districts and the I-board.

Inspire

- Lead as a friend first and bond with members individually through open communication and informal discussions and activities.
- Focus on member retention and gain by being an engaging leader and creating fun activities and incentives to encourage participation.
- Balance the opinions and wishes of clubs, districts, and the I-Board to foster equity and diversity in ideas.

Nourish

- Create a platform strengthening ties with the Kiwanis Family with the goal of greater relations and increased opportunities.
- Collaborate within and between sistricts.
- Encourage members to run for higher office and continue their involvement in the K-family by joining Circle K or helping to start Builders Clubs with videos highlighting the responsibilities and importance of doing so.

TAYLOR PETROFSKI

INTERNATIONAL TRUSTEE

*Hello
Key Clubbers!*

My name is Taylor Petrofski, and I'm so excited to be an International Trustee candidate!

In my three years involved in Key Club, I have learned the importance of servant leadership. This organization has instilled in me the values of character building and inclusiveness and has given me the privilege of meeting amazing people who share those same values. As both a Key Club member and a leader, I have been able to build a unique skill set, gain unforgettable experience, and discover my passion for serving others.

The experience I obtained as a Key Club member and Georgia District Board leader is reflected in my platform, in which I strive to U.N.L.O.C.K a successful service year in Key Club. This plan is focused around the central theme of learning with each initiative reflecting the goals of the 2021-2026 Strategic Plan. I believe that through the objectives outlined below, we can grow and improve Key Club as a whole.

With your support, we can make these goals a reality. Together we can U.N.L.O.C.K a better Key Club International.

Yours in service,

Taylor Petrofski

PERSONAL PROFILE

Hello everyone! I am Drew Reetz from the mighty Minnesota-Dakotas District. I am beyond happy to have the opportunity to run for International Trustee, especially since I am the first person from South Dakota to be doing so! Besides being an avid key club member, I'd consider myself a very extroverted person. I love interacting with people and being part of a team. I'm currently a senior and absolutely love Star Wars and pole vaulting. I am involved in two sports, NHS, Student Council, 4-H, and Robotics as well. I am confident that with my experience and new ideas, we can forge a huge impact on Key Club International. **This year, I want to reshape this organization and execute ideas that have never been executed before.**

GOALS

Membership Retention

Experience on this year's International Committee has helped me introduce a few ideas that potentially could improve our numbers, including focusing on reactivation in addition to chartering, increasing education on the structure of Key Club, promoting leadership opportunities like the Global Certificate & International Committees, & reaching out to international schools in addition to American schools.

Membership Engagement

Take a second and think: what makes Key Club desirable; the energy, the interaction, and the reality that it's not your typical after-school activity. As an International Trustee, I would engage with my District by hosting workshops and office hours, creating merchandise, & increasing overall Key Club public relations.

More Ideas!

Currently, I see Key Clubbers who want realistic and fresh ideas, such as: revamping outdated resources rather than creating new ones, creating policies & procedures for inactive District Board Members, & strengthening relationships with existing service partners rather than adding additional ones.

✦ FOR INTERNATIONAL TRUSTEE ✦

hello key clubbers!

My name is Shanelle Relucio and I am delighted to have an opportunity to run for International Trustee! I am immensely passionate about Key Club and there's no doubt that I will continue service throughout my life no matter what. Key Club has opened so many doors for me: whether it be meeting inspiring individuals across the country, helping my community, or serving amazing individuals like **YOU**.

After being honored with so many amazing experiences, I want to give back to our members by opening the door of opportunity for them. I am ready to help assist Key Club International in reviving and progressing our organization. Hopefully I will be **GROWING** alongside all of you!

READY TO GROW WITH YOU,
Shanelle Relucio

FEEL FREE TO REACH OUT!

 @shanellerelucio

G **UIDANCE** If elected, I will take full advantage of guiding my Sistrict by encouraging engagement through socials, trustee hours, a newsletter, spotlight on service, trustee videos, and more. In order to provide members with more opportunities to meet people from other Districts, I will also host Inter-Sistrict events, like volunteering together for International Volunteers Day.

R **EVIVE** I hope to create new campaigns for our programs and partners in order to improve member retention. Through innovative rebranding, utilizing more platforms, creating new video series, and club recruitment resources, I believe our members can become further engaged.

O **PEN-MINDED** When reviewing bylaws and developing strategic plans, I want to ensure that I am fully representing the opinions of Key Club members within my District. To promote transparency, I plan to host open forum calls and send out surveys to members, District Governors, and the I-Board to assess the needs of Key Club International.

W **ORLDWIDE** I want to show our members how **TRULY** International Key Club is through Instagram posts or a video series showcasing those from other Districts, and from undistricted areas. To further promote our values of inclusivity, I hope to create more accessible resources concerning diversity training.

HOPE ROUNDCOUNT

Key Club has been a life-changing influence on me. My goal is to repay the valuable skills I've earned from serving as a Lieutenant Governor and District committee co-chair through a four-step plan, FAME, which focuses on developing clubs' finances, skill sets, membership, and access to various resources. As your next international trustee, I will ensure that every club receives equal opportunities to serve their home, school, and community. Together, let's aim for FAME!

Yours in Service and Always in Friendship,

Hope Roundcount

FUNDS

- ★ Create a sponsor-funded **fundraising website** like FreeRice that clubs could use to raise money for their various causes. Through this website, we can help make Key Club Conventions and many service projects more accessible.
- ★ Compile all the best fundraising techniques into a master **database**, sorted logically and labeled with keywords.

ADAPTABILITY

- ★ **Listen** to the needs of my specific districts and their governors and **adjust** my work accordingly.
- ★ Make resources explaining how certain difficulties your club may be facing (COVID, membership decreases, etc) can strengthen your club, not harm it.
- ★ **Online presentations** that teach how to know when your club needs to make a change and the process of implementing your own solution.

MEMBERSHIP

- ★ Hold workshops and create guides about:
 - ★ Creating **proportional membership goals**; using your club's **unique traits** to help draw more members in; maintaining membership by **keeping members excited**.
 - ★ Clarifying the **dues-paying process**, especially for new clubs; how to encourage more dues payments.

EDUCATION

- ★ Provide guides about
 - ★ Interacting with **Key Club's international level**.
 - ★ How lieutenant governors can **use social media** more effectively to increase interaction with their division.
- ★ The aforementioned fundraising website will run off of Key Club trivia, focusing on Key Club **fun facts**, **running for leadership positions**, **hosting successful events**, and more!

QUALIFICATIONS

- ★ **New Club Building and Reactivation Committee:** On this committee, I helped implement my district's successful Meet Your Mark initiative to encourage proportional membership recruitment. I also helped create new clubs, reactivate previous charters, and revitalize clubs struggling with growth or participation.
- ★ **Co-chair of the Kiwanis Neuroscience Research Foundation Committee:** As co-chair of a District-level committee, I gained the skills I need to be a valuable member of the international level's committees, including designing social media campaigns, advertisements, educational resources, and large-scale and successful fundraising, service, and educational events.
- ★ **Lieutenant Governor:** My division of seven clubs has many similarities to a district; for example, I communicated in ways that work best for my clubs, divided my time to focus on each of their individual needs, and provided varying levels of support through newsletters, meetings, social media shout-outs, and late nights of sending emails and building resources.

INTERNATIONAL TRUSTEE

Hey, Key Club!

My name is Ava Stamatakis, and I'm from the Capital District. I'm beyond excited to be running for International Trustee, and I can't wait to get the chance to connect with each of you, so please do not hesitate to reach out!

I know I'm not alone when I say that these past few years have been difficult for us. Despite the many hardships we've encountered, we've persisted on our service journeys. As your International Trustee, I will guide you and your club on your journey by using the characteristics I share with the Greek goddess **Athena: wisdom, a fighting spirit, and craft.**

Athena!

Wisdom

Athena is the Greek goddess of wisdom. Like her, I have **experience** and **knowledge**, which have given me a thorough understanding of Key Club's intricacies. My wisdom will allow me to best serve you and increase **your knowledge** about opportunities, too. I will help you by...

• Partners & K-Family

- Composing guides for service projects ideas that support each of our partners
- Producing guides for clubs on how to strengthen their K-Family relations

• International Opportunities

- Devising graphics that break down the levels and responsibilities of Key Club International
- Spreading awareness of the Global Leadership Certificate and Member Representative position international committees

Fighting Spirit

Athena is also known for her fighting spirit. I am committed to defending Key Club values, and I am determined to represent **YOUR** voice as a Key Clubber by...

• Focusing on YOU

- Representing your desires and delivering them at the international level through committee work
- Creating a form for you to provide input

• Forging connections with clubs, LTGs, and district executives

- Holding office hours
- Reaching out to every LTG on a personal level
- Catering support to district executives' wants
- Visiting and presenting at club meetings in addition to Board Meetings and DCONs

• Fueling your passion

- Being a friend and leader to inspire you

Craft

Athena has craft, too! My skills allow me to identify goals and implement **creative** solutions, such as...

• Continuity

- Implementing the 2021-2026 Strategic Plan
- Completing all International Board and committee work

• Community

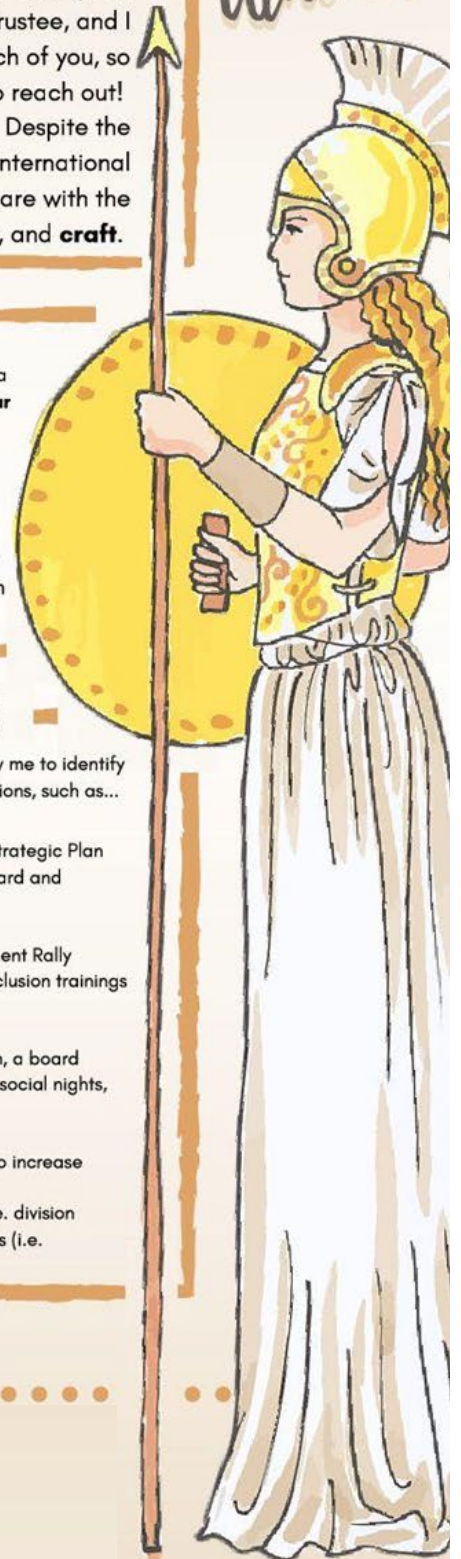

- Promoting the Global Engagement Rally
- Hosting diversity, equity, and inclusion trainings for districts

• Connection

- Starting a sistrict penpal system, a board buddy system, service projects, social nights, and social media campaigns

• Communication

- Conducting biweekly updates to increase transparency
- Providing resources for LTGs (i.e. division service project ideas,) and clubs (i.e. recruitment ideas)

Trustee Candidate

Shuban Tiwari

In my eyes, the fundamental purpose of Key Club is to build character through service and leadership. The position of international trustee is one that necessitates dedication of service at the highest level, all the while maintaining the characteristics of an excellent young leader. Being a Lieutenant Governor has refined my view of service, and strengthened my leadership skills. My experience, mindset, and work ethic will serve as assets to the International Key Club Board, and I hope to leave a significant impact in whatever I do.

When you hear Shuban, think Service

My focus as an international trustee will be on the service plank in Key Club International's strategic plan.

International Projects

- Placing a strong focus on the promotion of underused projects already endorsed by Key Club International
- Focusing on newly formed developments and Partnerships
- Finding new opportunities, but focusing on old ones generated

OKRs

- OKR's are simply ways to track progress and achievements
- The O stands for Objectives, and the KR stands for Key Results
- Many successful companies including Google, Adobe, and Netflix have all adopted this framework
- Adopting the OKR framework at KCI can make decision-making more precise, goals more achievable, and results more measurable

SHEENA VAGHELA

For International Trustee

Unanimously Endorsed by the Texas-Oklahoma District

Hello Key Club International!

Welcome to the Summer Leadership Conference! Thank you for your hard work throughout this year and persevering through the hard times. Let's celebrate all of your hard work and accomplishments together this SLC!

My name is Sheena Vaghela and I am honored and beyond excited to have the opportunity to run for the International Trustee position! Key Club has made an impact on my life by giving me the chance to realize how I like helping others, being involved in my community, and giving back to those in need, all of which my love for has only grown. I would love to continue giving back and make an even bigger impact on my community and the International Trustee position would be an amazing platform to do just that! I look forward to meeting all of you! I want to represent the voices of this organization, regardless of where you stand in the organization, because a vote for VAGHELA is a vote for your VOICE to be heard!

Yours in Friendship & Service,

Sheena Vaghela

Value The Perspectives

Key Club consists of members from all over the world, from club to district to international level. Increasing transparency on the international level to allow for accurate feedback and give members a chance to voice their opinions on what is going on will allow for changes in international to be made that can help members and districts directly.

Obtain A Larger Emphasis On KCI Duties

Obtaining a larger emphasis of what international does on the district level will allow us to bridge the gap between Key Club districts and international and emphasize the importance of K-family connections.

Invest In Growth

Key Club as a whole has lost a lot of its members as a result of the pandemic. By investing time in growth and membership experience by following the strategic plan, we can focus on getting back to our original member count and continue to grow the organization.

Collaborate With Our Partners

Key Club not only has several branches in its own family but also has several partners with similar values. By utilizing our resources and collaborating with our partners, we can push for more change and further give back to our communities.

Enhance Communication

Enhancing communication and encouraging bonding between Key Club districts and more specifically, governors will allow for districts to share ideas and learn from one another's experiences. Additionally, unifying each district individually will allow for districts to create a strong bond with those they work with in their own district, which can help with identifying issues in the district more early on.

Hey Key Clubbers!

I am so excited to be here and connecting with all of you in person! This service year will be full of recovery, and it will be important to establish **change** and **growth**. **All levels** of Key Club are vital to our cause and we need to **CARE** for each of them. With my platform, I present ideas as to how we can build up each level.

Let's CARE for our community!

Why? How?

My platform spans all levels of Key Club to ensure that **everyone** is able to get involved, create change in their communities, and find a home in Key Club. In order to achieve this, we will need to assess our current situation and past mistakes/successes. By building upon KCI's current methods, we can ensure that all areas are **CARED** for!

Vision:

Members: Members will be educated about all aspects of Key Club and aware of tools that can help them succeed and further their KC journeys.

Clubs and Divisions: Clubs and Divisions will have easy access to resources that will help them enrich their members' experience.

Districts: Districts will work towards attainable quarterly goals and increase member retention and recognition initiatives, as well as improve marketing for members.

International: Key Club will grow and reach new heights through expanding its reach and working towards fully implementing the Strategic Plan.
