I will also strive to increase our membership by 5% and have Key Club in a minimum of 50 countries by 2028. To do this, I will use the amazing members and the Kiwanis-Family to build our community. As your International President, I will help **unLOCK** Key Club's potential.

## FOR INTERNATIONAL VICE PRESIDENT

*Hello, Key Club International!*

I'm so excited to meet all of you at this year's International Convention. My name is Makaylah Adams, and as I progressed from my club, to my District, to going to my first ICON last year, I noticed the way each person has different needs in Key Club based on their District and personal life. To accommodate for the exemplary diversity KCI has developed, I plan to create two taskforces to support that growth. We will grow stronger leadership boards through the expansion of the GLC and Service Awards, we will link Key Club Internationally, improve candidate position outlines and global outreach initiatives, and take care of the mental health of our students. For International Trustee

 @mayaaminova

## Hello Key Clubbers!

My name is Maya Aminova, and I am honored to be running for International Trustee. Key Club has helped me find my voice, passion, and purpose.

With English being my second language, I've experienced firsthand how important it is to make leadership and service accessible to every member, regardless of background. I'm running for International Trustee because I believe every member has a **STORY** that deserves to be heard.

## Supportive Leadership

I will provide customizable monthly check-in forms for club and district officers to use to improve communication and leadership accountability. I will also host biweekly "Ask Me Anything" sessions for each district to ask questions, provide feedback, and to gain ideas from members directly.

## Transparency & Trust

I will have a shared document with your trustee districts listing your monthly updates, goals, meeting recaps. I will also provide summaries of your reports in **key** languages, so all members feel included and informed.

## Opportunity

Create special guides for LTGs to send to smaller or rural clubs with meeting templates, fundraiser ideas, and officer checklists. Collaborate with district editors and translators to build a shared drive of common resources in multiple languages.

## Recognizing Every Effort

Send digital certificates or handwritten postcards to members who make an impact behind the scenes. Provide Canva templates for clubs and LTGs to create personalized certificates and digital badges for their members.

## Year-Round Engagement

Create monthly service themes across my trustee districts, with challenges, resources, and recognition to keep clubs inspired all year long. Build and share calendars with reminders for international deadlines, district events, and seasonal service initiatives.

Throughout my journey, I've had the privilege of witnessing the vast potential of our global network and the power of cross-district collaboration on every level—club, district, and international. As I run for International Trustee, my platform centers around **Your Voice, My Focus, Our Impact**. I am committed to amplifying your voice, strengthening connections across districts, and expanding access to resources. By optimizing opportunities, fostering collaboration, and prioritizing empowerment, I will ensure every member has the tools, opportunities, and support needed to thrive. # C

**COLLABORATION** is central to growth, with a strong focus on strengthening connections between districts, clubs, and international partners. Networking within district pairings and the exchange of ideas will be actively fostered to amplify the impact of service projects. Communication channels for community clubs will be enhanced to better support chartering efforts. A feedback form will be introduced to ensure member perspectives inform decision-making, further uniting and strengthening the Key Club community.

# E

**EMPOWERING** members to thrive is my mission. I am dedicated to building strong relationships and providing personalized support to districts through virtual office hours and tailored guidance. I am ready to give this final year my all, and serve from my **HEART** to ensure we strengthen the foundation for **another century of this organization**.

As a **trustee**, I promise to uphold a **culmination** of my values and the values of our organization to ensure a **legacy of impact** and **innovation for generations to come**.

With LOVE, 

### Serving from the...

#### Humanitarianism

Highlighting the **impact** of Key Club International's **preferred charities** helps **drive meaningful promotional initiatives** by showcasing real, measurable results. Emphasizing this **reinforces our mission of service**. I will add resources to **further educate members** about these causes in my "Key Club 101" Drive, **catered** to each District in my pairing. Spotlight **club service projects** around the **world** to showcase our **universal love for service on Instagram, Newsletters, and Educational Webinars**.

#### Evolve

Key Club is **ever-changing**, and to continue growing, we must **adapt** and **innovate**. My goal is to expand **accessibility** and **engagement across all districts** by **enhancing** digital platforms, and **providing** leadership development opportunities. By **evolving** our approach, we can ensure **every Key Club member feels empowered to make an impact**. Implement a **recognition system** specifically for members to further **incentivize** dedication to the club.

#### Address

We **must address** resource accessibility, member engagement, and communication gaps. **Streamlining resources** will help clubs and districts **access information faster**, while **new strategies** will better **connect** members. **Strengthening** communication at **all levels** will keep leaders, officers, and members **informed** and **engaged**. By **bringing back** the **International Translations Taskforce**, we can ensure that resources are **truly global**, and can be easily passed down our **diverse inverted triangle**.

#### Relations

I want to further **build connections** with my **District Pairing**, through an increase in communication. By implementing **weekly to bi-weekly emails** on top of the **Monthly Trustee Newsletter**, along with that doing **quarterly calls with Lieutenant Governors**, and **monthly ones with my District Governors**. Rooted in Service,  
Blooming with Purpose

Hey Key Club!

My name is Varda, and I cannot describe to you how excited I am to be running to be your **International Trustee**, with the support of the New York District. When I first joined Key Club, I joined not even knowing there was an international level - and I know I am not the only one. There are plenty of clubs, and districts that feel disconnected from the international concept. This is why I am running - to be the **voices** of those clubs and districts and have more conversations about **mental health**, create a sense of **togetherness** and **connection** regardless of where we may be in the Key Club world, and ensure that every member has their chance to have their "growing up" moment or become the leader they are meant to be. My initiative, **ROSE**, is more than just a name - it's my **dream** for a Key Club where all clubs would **bloom**, no matter where they are planted. As a **team**, let us **grow** together on this journey!

- Varda Qudratullah

- Create an online Mental Health Resource Toolkit for clubs to use at meetings that includes guided activities, discussion prompts, and crisis resources
- Collaborate with mental health non-profits

- Hold cross-district Zoom meetings (East Coast & West Coast Club Exchanges) where club members can work together on joint service projects

### EMPOWER

Helping Key Clubbers grow into leaders with confidence and support

- Develop an electronic "Bloom Binder" - a toolbox for new club officers and members with templates, guidelines, and tips to take on leadership

## For International Trustee

*"Expand the Circle"*

Because everyone deserves a seat at the table

@KHYROEFRR

### Hello Key Club International!

If it's meant to be, then it's up to me."

My name is Khyroe Riley, and my Key Club journey began in the most unexpected way—with a slice of pizza. In Grade 7, I was offered one by then-president Malieka Moncrieffe, who said, "Join Key Club and it's yours." I said yes, not fully knowing what I was stepping into, but that simple decision has changed my life.

Since then, I've grown from a curious club member to proudly serving as President of the St. Hilda's Diocesan High School Key Club (2023-2024) and Lieutenant Governor for Division 4 in the Jamaica District. Under my leadership, we grew from under 50 to 163 internationally recognized members, and we logged over 813 service hours in a single term. Key Club became more than just a club—it became my calling. I've led with heart, humility, and the belief that service can transform communities. Now, I'm running for International Trustee to bring that same commitment to the global stage—expanding opportunity, inclusion, and support to every member I serve.

Why me? Because I am dedicated, determined, and capable.

Let's expand the circle—together

One circle, one mission—nuh lef out nobody!

- RFL Award Recipient, Jamaica District (2024-2025)
- New Club Building Co-Chair Jamaica District (2025-2026)

## Hello Key Club International!

My name is Pradhyumna Vasishta, and I'm honored to be running for International Trustee.

From the moment I joined Key Club, I felt that spark... the one that told me that service is where I belong. Key Club has helped me grow not just as a leader, but as a person. Through collaboration, mentorship, and compassion, I've seen firsthand the incredible power this organization has to transform lives. But we still have more to do, like LIFTing the voices of smaller clubs, expanding our global presence, and ensuring every district has the support they need to thrive and excel.

That's why I'm proud to introduce LIFT—a platform centered on Leadership, Inclusion, Fellowship, and Trust.

As an International Trustee, I will be a voice for those who feel unheard—because every club, no matter the size or resources, deserves to excel in our global service family.

Together, let's LIFT Key Club and build something lasting—something we can all be proud of as we celebrate our 100th year of service.

## Vote Eileen Yun for International Trustee!

ENDORSED BY THE NEW YORK DISTRICT

### *Hello Key Club International!*

My name is **Eileen Yun**, and it goes without saying that Key Club has **changed my life** just as it has for you. Key Club is more than an extracurricular for me. It's a **community, a passion, and way of life**. From 2024-2025, I had the honor of serving as a **Lieutenant Governor** in a division where the schools didn't even know what Key Club International was! Despite this, I successfully raised over **\$103k** with my division for our service goal and **increased awareness** of how truly international Key Club is with my **passion and dedication to service**.

**For you**, I aim to **act** with purpose, **serve** every member, **amplify** voices, and make meaningful **progress** for Key Club International. I'm so excited to bring change with you! Let's bring change **ASAP!**

Always yours in friendship and service,

*Eileen Yun*

### *Qualifications*

#### **2024-2025 NYDKC Division 3 Lieutenant Governor**

- Raised over \$103,000 with division.
- Held the first in-person divisional for Division 3 in years.

#### **Public Relations Committee Member**

#### **Home Club Acting President**

- Directed meetings before new board elections.
- Played huge role in doubling club hours despite 10% club budget decrease.

**A** **Act** with purpose. I will take initiative to address the needs of underrepresented and less active clubs and promote member engagement at all levels of Key Club. I'll do this by communicating regularly with District Governors and providing them resources to send to Lieutenant Governors, and in turn their clubs.

**S** **Serve** every member. Ensure that every club, big or small, has resources to guidance and support. Advocate for all types of members around the world. Do this by encouraging participation in both Districts and Key Club International.

**A** **Amplify** all voices. I will do this by collecting and uplifting feedback from clubs around the world. I plan to continue the DEI Taskforce and create more opportunities for Key Clubbers to participate internationally. It's not just about bringing awareness, it's about making people care.

**P** Make meaningful **progress**. New ideas are always a good idea, but it's even more important to continue things that have worked in the past. I plan to build upon past trustee efforts, foster more international collaborations, and strive for growth in both numbers and impact.

Make change ASAP by reaching out to me!
