

How Key Clubs can make the most out of Erika's Lighthouse Resources

You'll need to create an account on the Erika's Lighthouse Resource Portal so that you'll be able to access all resources. Go to erikaslighthouse.org/portal to create your account. Other ways to get involved are below.

1

Consider becoming an Affiliate Club of Erika's Lighthouse and join us in creating inclusive school communities.

Your club will have access to over 50 year-round Awareness into Action Activities. If you are interested, take a look at the [Teen Empowerment Club](#) page on our website & read through [Starting a Club](#) guidebook. Contact Nathalia (nathalia@erikaslighthouse.org) if you are interested.

2

Host a Beacon of Hope Walk & Fun Run at your school.

A [Beacon of Hope Walk & Fun Run](#) is meant to help you raise awareness, generate funds and bring your community together. You can bring your school together to raise awareness and funds with a fun event! If you're interested in hosting your own walk, contact Rachel (rachel@erikaslighthouse.org)

3

Take the Positivity Pledge.

Join the movement for good mental health during Mental Health Awareness Month in May. Each week of May you will have an opportunity to create change in your school. Activate your club members and get started today! [You can access the full calendar here!](#)
