

KEY CLUB

How a dues adjustment to \$10 per member may be allocated

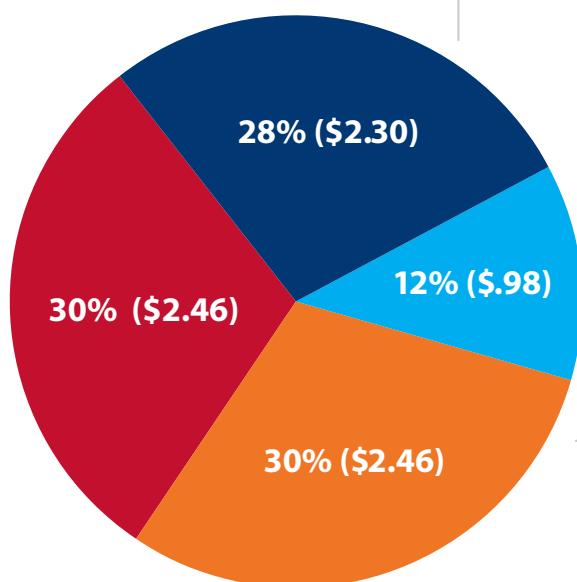

Key Club International dues have been US\$7 per year since 2014. Delegates at the 2023 Key Club convention will vote on a proposal to raise the fee to US\$10 in order to rebuild the program's reserves, invest in the future and enhance growth of new and existing clubs.

ADMINISTRATIVE FEES

Every organization has administrative expenses. These include utilities, membership database, information technology support, building services, finance and accounting — all the parts that an organization needs to operate.

PROGRAM SUPPORT

Membership materials & recognition

Membership supplies and recognition; member pins, handbooks for members, club officers and advisors.

Travel & governance

Travel for Key Club International board members to district visits, meetings and conventions.

Growth and outreach

A new category, these funds would include staffing for growth, marketing/outreach/advertising costs, website update/upkeep.

Education & training

Global Leadership Certificate, Governors and Administrator training, training webinars for members, advisors and administrators.
