

YOUR DONATIONS WILL SUPPORT THE START STRONG: ZAMBIA PROJECT

\$5 could provide a community school with paper, pencils, and colored pencils for early childhood enrichment and creative stimulation

\$10 could provide safe water from a manual drilled water for two children for one year. Reliable access to safe water helps minimize the risk of WASH-related diseases like cholera and is one contributor that helps maximize the amount of time children spend in school

\$50 could provide 21 children with UNICEF school bags to help keep their supplies sorted

\$216 could provide an Early Childhood Development kit, which provides a range of materials to encourage the development and social interaction of children (playing, story-telling, numeracy, etc.)

Insert money in the canister or use the pumpkin QR code to donate online. Please make checks payable to "Kiwanis Children's Fund" and be sure to write "Trick-or-Treat Zambia" and your club name or number on the memo line. You can also download a printable donation form at keyclub.org/zambia to enclose with your check.
