

# TRICK OR TREAT

FOR unicef 

Halloween is about costume parties, scary movies and candy – and now it’s about something else, too: helping others. During October, your club can raise money for Trick-or-Treat for UNICEF to support Start Strong: Zambia. The money you raise will help provide brighter futures for young children in Zambia by building innovative community centers, training teachers and health care providers and supporting parents. We have some fundraising ideas you can use to get your club started!

## TIPS & TRICKS

- Go to [keyclub.org/zambia](https://keyclub.org/zambia) to learn more about Zambia and how your fundraising efforts will provide brighter beginnings for children who live there.
- Check out the resource section of [keyclub.org/zambia](https://keyclub.org/zambia) to download social media templates and a printable canister wrapper to promote Trick-or-Treat for UNICEF.
- Share your story! Use the hashtags **#TOT4UNICEF**, **#KeyClub** or **#BuildersClub** for a chance to be featured on social media.
- Remember to thank your volunteers and donors with an email or note that lets everyone know what they achieved for UNICEF.
- Don't forget to submit your funds! Your club can use the online donation form at [keyclub.org/zambia](https://keyclub.org/zambia) or use the [downloadable form](#) and mail checks payable to the Kiwanis Children’s Fund. Make sure to include your club’s name and TOT in the memo field. Return this completed form via mail:

- **Trunk-or-Treat.** Set up a trunk-to-trunk candy exchange at a local parking lot and display the Trick-or-Treat QR code as you share treats.
- Or go big and create a **haunted house** or **Halloween carnival** with donations or ticket sales benefiting UNICEF! Remember to feature the QR code in these spaces.
