DAVID ROBAINA

FOR INTERNATIONAL PRESIDENT

Hello Key Club International,

With Key Club's 100th Birthday just around the corner, let's capitalize on this event to achieve sustained, compounding growth and prosperity for years to come. After serving on the the District and International levels for the past two years, I'm excited to propose **Key Club 2030 - The Journey to 300,000 members**. By maximizing Key Club's internal and external connections, empowering our servant leaders, ensuring all members feel welcomed and valued, and elevating our membership experience, I'm confident we can make real and lasting improvements to our organization. I'd love to hear your thoughts, so please feel free to reach out!

Ariana Lee

FOR INTERNATIONAL TRUSTEE

Hey y'all!

"It is time for Key Club to turn over a new leaf!"

My name is Ariana Lee, and I am honored to be running for International Trustee. Representative of my platform and the distinctive communication plans I aim to implement, let me first describe the role of trustee: a liaison between the districts and international board.

I joined the Kiwanis family my freshman year, a kid with a **twinkle in my eye** that let others know, **"I want to make a difference."** Initially, I joined due to the presence of my new "chosen family," kids similar to me who continuously described the feeling of viewing the impact you could make within Key Club—a feeling of joy, belonging, and most importantly, accomplishment. Key Club distinguishes itself as a **breeding ground for leaders**—teaching its members of the potential we all have and the strategies to hone in on these attributes.

As an international trustee, I hope to act as a **voice for those previously silenced**, further bridging apparent gaps and renewing passion across Key Club internationally. Where are the lesser funder clubs represented, or the small clubs whose voice is virtually nonexistent in international discussions? Without acknowledging the experiences and needs of members, the sun that is Key Club will refuse to shine.

Thus, if endorsed, I will ensure representation and efficient communication among districts. From the **b-autumn of my heart**, I will aid Key Club communities internationally.

QUALIFICATIONS

- Immediate past Division 13 **Lieutenant Governor**
- Freshman and Sophomore **Class Representative**
- Capital District Convention and Events **Committee Member**
- Capital DCON **Service Fair head**
- Organized** and **Led** the division-wide initiative to "Beautify" Division 13 through environmental service-acts
- Division 13's **Teenager of the Year Award**
- Robert F. Lucas Recipient (Outstanding Lieutenant Governor Award)**

The seasons perfectly encapsulate the fervor Key Club members habitually illustrate. **Rain or shine, snow or sleet**, Key Clubbers will diligently serve those in need. Moreover, the seasons cycle exhibits the diverse communities in which we serve—**no season**, or district, **is the same**, yet they are **strikingly distinctive** in their abilities.

The Four Seasons of Success

QUARTER 1: SUMMER

- Implement a **committee** amidst my sistricts dedicated to **communication** and ensuring all members are provided **similar opportunities**, whether that be knowledge of higher positions or Key Club sectors.
- Uplift** silenced voices through an **anonymous forum** for my sistricts to express their **woes as well as their experiences** in Key Club. To **grow**, we must first acknowledge our faults.
- Establish **strong personal bonds** among my districts via social media and virtual socials.
- Educate** members through a calendar packed with **resources** and **deadlines**.

QUARTER 2: FALL

- Establish a **"pen pal" system** to unite the sistricts—connecting each participating club with another. To **optimize our service**, learning about projects outside of your immediate circle is essential.
- Orchestrate** officer and membership **training** programs to **educate** members of their roles from an international perspective. Trainings will include **DEIB experts** to further **bridge systemic gaps**.
- Hold **bi-weekly office hours** to **foster** distinctive **plans** with **governors**.

QUARTER 3: WINTER

- Implement a **mental health town hall** amidst my sistricts, giving members resources as well as information that advocates for **mental health prioritization**.
- Represent** the cultures that make up Key Club through the celebration of **heritage months** amidst my sistricts.
- Recognize** the costs of Key Club through in-depth webinars offering additional **resources** to **financially disadvantaged** clubs.

QUARTER 4: SPRING

- Highlight** the members and districts through service **awards** and **recognitions**.
- Compile **feedback** on my term to better **equip** my successor.
- Connect** with **Kiwanis sectors** through sistrict webinars dedicated to **reflection** and **DEIB acknowledgment**.
- Provide **information** pertaining to **ICON** and **scholarship** opportunities to better assist my sistricts.

HEY KEY CLUBBERS!

My name is **Armin Sedghi**, and I'm thrilled to be running for the position of **Key Club International Trustee**! Volunteering alongside the Georgia District has truly been a life-changing experience, and armed with the knowledge that serving as **Georgia District Governor** has provided me, I'm prepared to take my service to the next level. Growing up as an **Iranian-American**, my parents always reminded me to watch out for harmful **cheshm**, which is a **Farsi** expression that refers to the "**Evil Eye**" of others. With my platform **CHESHM**, I'll be able to lead both my **District Pairing** and the **International Board** towards maximizing our impact. By raising awareness of Key Club International's structure and partners, creating new engagement-focused opportunities, and fostering equity and diversity, we can **open the eyes of our members** and minimize the forces of **cheshm** together. I am so honored to embark on this journey with all of you! Thank you, and remember:

"CHESHM: Clearer Vision for a Brighter Future!" 

CHESHM

Hello Leaders of Key Club International!

My name is **Aspen Hess**, and just like many of you, Key Club has had a profound impact on my life. I'm beyond honored to be at ICON 2024, asking for your endorsement for the position of **International Trustee**. This year, I had the honor of serving as **Division 9A Lieutenant Governor** for the Florida District, a *Communications Committee Liaison*, a representative on the *Truly International Taskforce*, amongst *many other leadership roles*, which have instilled in me the necessary leadership capabilities for this role. I now have the necessary experiences and the passion to go far beyond the job description, and lead KCI through my **strategic plan** of **BRANCHing** out. By building, reaching, advocating, networking, communicating and helping, together, we can help our branches of service grow higher than ever before! Thank you, and remember to say **Yes to Hess!**

Passionately yours in Service and Leadership,

Aspen Hess

COMMUNICATE I want to be accessible. I don't want to be an unknown figure that only the officers of my district have heard of. I think it's vital that a leader connects and interacts with as many people as possible. I want to be a friend to Key Clubbers, someone you can come to with problems or maybe just to chat.

HARMONIZE I want to expand the Key Club community. I want everyone to feel heard and represented. The most important thing to me is helping everyone in Key Club find the all-encompassing love that I did. When I was at the club level I had a limited knowledge of International proceedings and if elected I plan to do my best to change that. Clubbers should be aware of all the amazing opportunities that Key Club offers.

ACHIEVE I want to help Key Clubbers across the world become the best they can be under our organization. Key Club is here to help us, just as much as we are here to help our community, and I want to emphasize that. This means helping Key Clubbers achieve their goals and expand their ideas.

RISE As Key Clubbers we have a tremendous sense of community. I want to expand and emphasize this amazing aspect of our club. We rise together. Without other Key Clubbers we would be nothing. When I came to this convention last year I only knew the one person from my club that I came with and the few officers from my district. By the end of the week I had made lifelong friends that I still talk to today. Key Club has created such a feeling of belonging in me and I want that feeling to spread to as many people as possible. So let's rise together.

HEYO KEY CLUBBERS!

I hope you are all having a wonderful International Convention! My name is Charlotte Crichlow and I would love to serve as your International Trustee. I am from the Southwest District and I have been in Key Club since my freshman year. I have found immeasurable love and passion for Key Club. If I could help even one more person find that sense of belonging my goal would be complete! I would not be the person I am today without Key Club. It would be my honor to serve the organization that is constantly serving me.

Lets **REACH** new heights in Key club.

in Let's Connect!
@Chikama Okoisor

HELLO FELLOW TORTOISES!

Ready to REACH new heights in Key Club? My journey as a Key Club member began in my new school in Midland in August of 2022, a world away from my home in Nigeria, where my nanny often told the folktale of the tortoise and the hare. While Key Club didn't exist in my home country, it quickly became a source of inspiration and purpose. Witnessing the firsthand impact of service on my community ignited a passion in me, and as an LTG reactivating four clubs, Key Club inspired me to start an initiative to build robotics teams in underfunded Nigerian schools and, subsequently, my non-profit Aspire United Education to promote STEM and education in underprivileged communities. These experiences, like the determined tortoise overcoming the swift but overconfident hare, taught me the value of perseverance and the power of small, consistent steps toward long-term goals. As an International Trustee, I hope to embody and promote the spirit of the tortoise and REACH, extending Key Club's reach further. Just as the tortoise's strategy empowered me, I dream of reminding Key Club members to REACH for change in their communities and beyond one act of service at a time.

REACH ACROSS BORDERS

- Work with the Global Relations Committee to **enhance existing international service initiatives**, ensuring they are accessible and impactful for Key Clubs in underserved regions.
- Work with the International Expansion and Development Committee to **streamline the chartering process for new Key Clubs**, making it easier for students in areas with limited resources to establish clubs.
- Fostering **global collaboration** across key club districts through virtual exchange programs to share service projects & ideas.

REACH NEW HEIGHTS IN SERVICE

- Encourage the integration of **service-learning components** into Key Club projects to foster a deeper understanding of the issues being addressed by our service hours and promote sustainable solutions.
- Create an **easy hub for Key Club service projects volunteer hours tracking** that is accessible for all Key Club members and boards to curate successful initiatives for future projects.

REACH NEW MEMBERS

- Collaborate with district boards to **develop inclusive recruitment strategies** that engage students from diverse backgrounds and create a greater sense of belonging within Key Club.
- Build initiatives to **leverage social media and online platforms to raise awareness about Key Club** and engage potential members from diverse backgrounds who may not have access to traditional recruitment channels.

REACH OUT TO GOVERNORS

- Facilitate **regular communication channels** between trustees and district governors, ensuring a two-way flow of information and support.
- Maximize the time spent in regular meetings for governors to **share best practices, discuss challenges, ask questions, and provide mutual encouragement.**
- Create a **centralized online resource hub** with training materials, sample project ideas, and communication templates specifically for governors.

THIS TORTOISE' STRATEGY

Q1: REACH OUT

- Reach out to governors to discuss their district's needs, challenges, and goals for the year.
- Assess the state of district pairings by surveying governors on the effectiveness of current partnerships and opportunities for improvement.
- Begin developing a centralized online resource hub with training materials, templates, and project ideas specifically for governors.

Q2: REACH ACROSS

- Work with the Global Relations Committee to identify existing international service initiatives that need more accessibility or impact in underserved regions.
- Develop a kit to streamlining the chartering process for new clubs in areas with limited resources.
- Launch a virtual exchange program pilot to connect Key Clubs across districts for sharing service project ideas and fostering global collaboration.

Q3: REACH FOR GROWTH

- Develop and promote inclusive recruitment strategies with district boards to engage students from diverse backgrounds and create a greater sense of belonging.
- Integrate service-learning components into Key Club project resources to deepen impact and promote sustainable solutions.
- Create an accessible online hub for tracking and curating successful Key Club service projects and volunteer hours.

Q4: REACH THE FINISH

- Facilitate a comprehensive district status review with each governor, evaluating their district's strengths, areas for improvement, and outstanding goals.
- Update and refine the centralized online resource hub based on governor feedback, ensuring it is a robust knowledge base for the incoming trustee.
- Develop a detailed transition plan outlining the current state of district pairings, international initiatives, membership growth strategies, and communication channels.

FOR INTERNATIONAL TRUSTEE

HEY KEY CLUBBERS!

My name is Connor Whitmer, and I am extremely excited and honored to be campaigning to be your next International Trustee! Although my platform might sound short and sweet, that is the exact opposite of what my aspirations are for this position. I am eager to tackle tough challenges, overcome difficult obstacles, and push my own limits to aid the International Board and Key Club as a whole.

connor_whitmer

PUSH

Each Key Clubber is capable of amazing things. It is up to Key Club International to guide them in the right direction and **push** them to become experienced leaders. With more leadership opportunities available to them, Key Clubbers would be more able to **'go for gold'** and achieve things they had thought unreachable.

- Provide additional opportunities for leadership growth alongside more virtual events

INCLUDE

Nobody likes being left out of the conversation. Each and every Key Clubber and Key Club deserves to be **included** and well-informed about district and international affairs, as well as being represented equally at district and division-level events.

- Ensuring equal representation between large and small Districts at International events

NEEDS

Every Key Club has a variety of **needs** depending on their location, environment, and community. My goal as an International Trustee is to make sure that these **needs** are met and that no club is left behind!

- Collaborate with the International Board to make it easier to assist districts, clubs, and members with their individual **needs**.

K-FAMILY

Of course, Key Club would not be complete without Kiwanis, K-kids, Builders Club, and Circle-K. Each of these clubs work hand in hand on different levels to provide the best quality of service to their members around the globe. As International Trustee I work to...

- Include **K-Family** more at International Events
- Work amongst districts to build **K-Family** relations

CORA ALTIZER

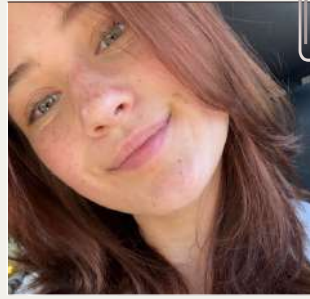

for International Trustee

HEY KEY CLUBBERS!

My name is Cora Altizer (she/her) and I am thrilled to be running for International Trustee. Like all of you, Key Club has been a continuous staple in my life over the past three years. Coffee has also been a staple in High School, getting me through the late hours of homework. Coffee and Key Clubbers are more alike than you would think. Both are energizing, sweet, but sometimes savory, unique in backgrounds but most importantly unique in the way they present themselves; with ranging flavors and categories. As Trustee, I will work tirelessly to make sure your unique voices, tastes, and opinions are heard. I will rejuvenate my district pairings with energy, enthusiasm and appreciation, just like a good cup of coffee in the morning.

Yours in Service,

Cora Altizer

@Cora.Altizer

RECIPE TO THE PERFECT CUP OF LEADERSHIP

1

Clubs that are less established, smaller, and/or international require more outside assistance than others. The same attitude should be given to smaller Districts and divisions.

- Providing a resource packet to Advisors and District administrators on how to grow their Key Club community in lower income areas, fundraise, apply for Youth Opportunities Fund, and take advantage of their Kiwanis Family.

Most Districts in Key Club are within the United States. Service should be easier and more welcoming from anywhere in the world.

- Make service more accessible for international districts by hosting annual online service projects

Embody Key Club's core value of inclusivity
Advocate for a translation option on the International website

2

Having served on the club and District level, I understand how crucial constant communication is. The inner workings of Key Club can be confusing, and I want members within my District pairing to feel supported, informed, and comfortable at all times.

- Quarterly anonymous feedback forms for honest feedback from all District officers, including Lieutenant Governors
- Monthly online Q & A sessions
- Quarterly online events for District pairing officers to network, share ideas, and even plan a pairing service project if they so choose.
- Create a resource pool of past service projects available to clubs to gain inspiration

3

Technology is the difference between a good and an amazing club. Some advisors need guidance on how to promote their club with social media.

- Provide a guide for technological organization and social media advertisement in clubs
- Promote and educate members about apps that can track service hours
- Host Quarterly online meetings explaining Canva and how this tool can be used effectively to grow engagement.
- Create a social media outlet for the Global Leadership Certificate to highlight exceptional leaderships.
- Highlight my District pairing's accomplishments with personalized weekly emails, social media posts, and awards throughout the term to prevent burnout and highlight exceptional service.

Hey Key Clubbers!

Welcome to International Convention! I hope all of you are as excited as I am to be here in Atlanta! My name is Dustin Zhao and I am beyond excited to be running for International Trustee! Within my last three years in Key Club, I have had the opportunity to see first hand how this organization shapes us into leaders dedicated to serving communities. Building on my prior experience serving on the club, district, and international levels, I have decided to run for international trustee with the mission to expand resource distribution, foster unity between districts, and most importantly, serve YOU! As a trustee, I promise to serve with excitement, passion, and cannot wait to meet more of you, share my ideas, and take this leap with you in our Key Club Journey!

Dustin Zhao

Togetherness

In Key Club, togetherness is essential as it cultivates cohesion and cooperation among members, leading to more successful projects and events. The goal is to unite and create a positive, inclusive environment to achieve various objectives. As a trustee, I will promote bringing districts together and set goals for taskforces and committees to bring Key Club members from all over the world together to set and achieve goals together.

Adapting

I am committed to adapting to the diverse needs and preferences of each district. Recognizing their unique communication methods and ways of requesting assistance, I will ensure my approach is flexible and responsive. My role involves providing support, actively listening, and adjusting to each district's specific requirements, ensuring all members feel heard, valued, and effectively assisted.

Collaboration

I will increase collaboration by enhancing the use of district Instagram accounts, ensuring timely and relevant posts, and promoting initiatives like the Youth Opportunity Fund and higher offices. By creating a standardized resources toolkit, accessible via a linktree or district account, this will ensure that all districts have complete access to consistent and effective materials year round.

Outreach

Key Club International focuses on outreach and emphasizes that the club is about YOU. To enhance member engagement, I would create feedback forms, host weekly trustee calls, and collaborate closely with district governors to assess and implement changes based on member feedback ranging from the district level all the way to the club level.

Hi Key Clubbers!

I'm so excited to be with you all in my beloved city of Atlanta. My name is Julian, and I'm the second oldest of 2 younger brothers and an older sister. I live in Lawrenceville, Georgia. I play lacrosse, swim, football, lift, cook, play games, and binge show in my spare time. I have been in Key Club since my freshman ice cream social, and I have been loving with it ever since. This past year, I served as a lieutenant governor for the Georgia district, where we broke our GLTC of 330 and founded 2 clubs in my division.

Qualifications

Key Club: Treasurer, Lieutenant Governor of Georgia, GLC

Non -Key Club: Assistant Lacrosse Coach for youth League, VP of Education (H.O.P.E.)

Growth

I am committed to expanding Key Club membership, both locally and internationally. I recognize and admire the significant impact each member has in driving positive change. To achieve our goal of increasing membership, we have to rely on the dedication of both prior and current club members within their respective chapters. It's essential to inspire the same level of excitement that clubs offer our organization. To accomplish this, I propose implementing a variety of bonding experiences. These activities will provide prospective members with a preview of the excitement and fulfillment that come with being a Key Club member.

Opportunities

I want to introduce a new form of fundraising through the use of reselling. I plan to make a YouTube channel where I go to Amazon Centers and Facebook and teach step-by-step processes on what to look for and how to make out the profit gained. The best way to use this for small clubs that struggle to raise funds is to donate to our partners due to their size or situation

Acceptance

Although we are an international organization, we aren't as diverse in membership as other organizations. Key Club needs to adjust its target audience as we proceed with our global expansion. I'll work with the International Board and the International Expansion and Development Committee to finish the total completion of translation resources to advance diversity, equity, and inclusion throughout our organization and provide accessibility for all members

Love

Over the years, we have seen a concerning decline in membership retention among Circle K and Kiwanis members. I propose hosting joint events between both Key Club and Circle K members to help members connect with the previous generation and get a feel for how the next level works. These joint events would offer Key Club members a firsthand glimpse into the activities, responsibilities, and culture of Circle K, helping them understand the transition they can anticipate as they progress within K-Fam. By bridging the gap between Key Club and Circle K, we hope to not only keep current members in K-Fam but also to kindle the flames of love between our various members.

Breaking Barriers

Through providing every member in my District Pairing easy access to up-to-date information on what's happening on the International level, plus receiving and applying feedback on what's important to those I represent, I will ensure that Key Clubbers feel more connected to International.

Relationships

By keeping up easy channels of communication with me, members in my District Pairing will always have a way to connect with International at large. This will include heavy promotion of office hours, requests for feedback on important topics, and consistent posts on everything I am up to. I also will make sure that my connection to those in my District Pairing do not detract from my I-Board responsibilities.

Inspiration

With the possibility of a new Dues Amendment being passed, I will see to it that if Key Clubbers pay more money, they will see new and exciting benefits to being a member. As a GLC Masterclass participant, I understand the value of the skills learned through the GLC. Therefore, I will push forward an initiative to get the GLC accredited. This will allow Key Club members to get additional recognition and incentive for being trained in leadership.

Growth

As a servant leader organization, service opportunities are an integral part of the experience of being a Key Clubber. To help grow the service opportunities present, I will push to renew our current service directory to include more online and in-person service events that directly help our Key Club International Partners. Putting this renewed directory into use, I will publicize the changes and hold a District-wide online event.

Harmony

In order to achieve the goals listed, I will ask for the help of the members under my District Pairing every step of the way. Hearing and implementing the ideas of Key Club members will allow for Key Club to feel more Truly International.

Transparency

On top of the normal responsibilities a trustee has to the members in their District Pairing, I will open the door to open communication. This includes scheduling calls, publicizing office hours, being receptive to every channel of communication I have available, publishing the work that I would be doing on the I-Board, and being a friend to all.

Hello Key Club!

It is such an incredible privilege to be able to spend this year's International Convention amongst such an impressive and diverse group of leaders from across our community. As a Lieutenant Governor, I was able to witness first hand the commitment of Key Club members on a local and district level. My position also gave me the great honor of attending this very convention last year. Through meeting members on all levels of the pyramid, my eyes were opened to what makes Key Club so special. While I had always known that service in my own community was fulfilling, I was filled great pride knowing that I was surrounded by leaders who were dedicated to making the world a better place. This dedication to service inspired me to run for International Trustee, because I believe that when nurtured, dedicated servant leaders can create great things. With your support, Key Club can have a BRIGHT future, with you at the helm!

Yours in Service and Friendship,

Kevin Hidalgo

for **INTERNATIONAL TRUSTEE**

HELLO, KEY CLUBBERS!

I am incredibly excited to be seeking the office of International Trustee and for the opportunity to meet so many like-minded Key Clubbers at International Convention (ICON). Every year at ICON, the district of **Louisiana-Mississippi-W. Tennessee** (LaMissTenn) distinguishes itself by wearing our signature **cowboy hats**. Throughout the convention, LaMissTenn Key Clubbers trade our cowboy hats for pins from other districts. To me, the trading of these cowboy hats represents what Key Club International is all about: **celebrating our differences** from district to district and **uniting** in a shared love of service. My campaign **LASSO** takes inspiration from the spirit of these cowboy hats to grow out organization. I look forward to connecting with all of you this summer in Atlanta!

Yours in Service and Friendship,

Keya Chanda-Rastogi

Hello Leaders!

My name is Lina Mousa, and I am so excited to meet each of you at this year's ICON! Key Club has shown me the beauty of community and what it means to support others. As an International Trustee, I will go **beyond the job description** to support my assigned District Pairings. My past leadership experiences as a **NJ District Lt. Governor** and **Charter President** have truly shown me how much we can impact the world around us. Through my platform, I aim to advance Key Club's strategic plan, focusing on fostering **growth**, enhancing **relations**, and expanding **outreach**. Let's **lock in** on this upcoming service year!

GROW

- Bolster **promotion** and **attendance** of events such as **ICON** and the **Global Engagement Rally**
- Improve **membership retention**, reactivate clubs, and begin to charter new community-based clubs
- Showcase districts' hard work and service projects on social media through **District Spotlights**
- Leverage the **Key Club alumni network** to create connections and networking opportunities for current members

CONNECT

- Collaborate with Governors and District Boards to achieve **district-specific goals** outlined in the **2021-2026 Strategic Plan**
- Foster meaningful connections between **District Pairings** and **K- Fam branches** by facilitating engaging joint service events
- Promote **diversity, equity, and inclusion** by increasing outreach to non-traditional clubs

EXPAND

- Boost international partner promotion through **advocacy** for **innovative** and **diverse campaigns**
- Empower Key Clubbers by providing **comprehensive guides** on all the **partnership opportunities** KCI offers.
- Enhance **incentives** and **global competitions** for the **Global Leadership Certificate Program**, while fostering leadership development training
- Expand **grant programs** and **scholarships**, such as the **Youth Opportunities Fund**, to broaden access and support

VALUE

Recognizing the hard work of districts and their clubs is essential in fostering continued member engagement and retention.

- Weekly **service spotlights** of clubs and divisional projects posted on the Key Club International Instagram
- Develop awards to honor clubs for their **exemplary service** and **innovative service project** ideas to encourage **creativity** and recognize their **invaluable efforts**

OUTREACH

Supporting and communicating with district officers is crucial in enabling them to implement their strategic plans.

- **Biweekly calls** and **office hours** with district officers to help identify their challenges and goals, allowing **targeted support**
- **Assist international districts** forge stronger connections with Key Club's initiatives through weekly updates

INCLUSIVITY

As our organization grows, we must consider the diverse backgrounds of our members to uphold diversity, equity, and inclusivity.

- **Expand** Key Club's initiatives to **include** those with cognitive disabilities through **promoting collaboration** with Aktion Club
- **Create** and **translate** extensive guides and workshops to acknowledge the **diverse needs** of our members

COLLABORATION

Collaborating with those outside of your own community is an amazing way to develop impactful service initiatives.

- Work with my district pairing to host **quarterly online service projects**, enabling **service goals** to be met and members to bond
- Promote **partnering with other student groups** to create unique and **meaningful service projects** while also introducing people to the Kiwanis Family

EDUCATION

Educating our members of the numerous opportunities that KCI offers empowers them to fully engage and use their voice to make a difference.

- Host **informational webinars** to **educate members** on Key Club's structure, partners, and issues—enabling them to **use their voices** effectively to make informed decisions
- Heavily **promote** and **advertise** the **Start Strong: Zambia** campaign, while also providing fundraising ideas

My name is Nicole Bunag and I am honored and thankful for the opportunity to be here today and run for International Trustee! As my senior year approaches this will be my final year in Key Club and I am grateful for all of the wonderful friendships and memories my Key Club journey has given me. My platform, **COSMO**, focuses on supporting and benefiting you in numerous ways, such to letting your voice be heard, recognizing and acknowledging all of your hard efforts, and many more. Let's make this year a great year! **Remember: Cosmo's call, service for all!**

@nicoleebunag

CREATE AWARENESS ★ International events (GER), scholarships, service grants (YOF), Global Leadership Certificate (GLC), and more are available to everyone. To promote these resources and provide clarity, I will hold questionnaire sessions and informational workshops.

OPPORTUNITY ★ A chance for your voice to be heard through feedback forms and townhalls. Your opinion will influence decisions made by KCI. Promote DEI by expanding leadership resources and scholarships, so clubs around the world have easy access.

SUPPORT ★ Each district has their own unique needs. To reach each district and have a successful service year, I will communicate with district governors every other week via phone call, create a google group with each district board to connect with LtGs, hold office hours at least once a month, and attend to challenges with appropriate action.

MEMBER ENGAGEMENT ★ Motivate and encourage the next generation of Key Clubbers by communicating with KCI alumni, interviewing them, and sharing their Key Club experience and advice in addition to implementing club spotlights and recognition.

OPTIMIZE ★ Enhance Key Club's relationship with other service impacted and positive clubs by collaborating with other clubs: joint meetings, fundraisers for one of KCI's preferred charities, and service projects to further disperse service in the community. Possibly implement a champions program for the Thirst Project, like there is one for UNICEF.

FOR INTERNATIONAL TRUSTEE

Hello Key Clubbers!

I'm thrilled to be here with you all this year's International Convention! My name is Nikita Kumar, and I am honored to have the opportunity to run for International Trustee! Over these past years, Key Club has truly changed my life in more ways than one. Through Key Club, I have developed my passion for service and helping others- a passion that I hope to pass on as well. I have had the honor of serving as a Lieutenant Governor on the New Jersey District Board for two terms; my time on the District Board has given me valuable insights into how we can improve Key Club. My platform, GROW, focuses on two key pillars: membership and service partners. Through GROW, I aim to guide our members with robust support systems, build strong relationships with service partners, enhance outreach by educating and engaging members, and create a welcoming and inclusive environment. I am incredibly excited to have this opportunity, and I hope to earn your support. Together, let's help Key Club GROW!

Yours in Caring and Service,
Nikita Kumar

G

Providing clear **guidance** is essential to empower our members. With my background as a district and club officer, I plan to strengthen connections between District Governors, district executives, and club members. I will establish a comprehensive alumni network to offer mentorship from experienced Key Clubbers. Regular district updates and accessible office hours will ensure consistent support and open communication channels. By being a dependable guide, I will help members confidently navigate their Key Club experience, ensuring they have the resources and support needed to succeed.

R

Building and nurturing **relationships** with service partners is crucial for expanding Key Club's reach and effectiveness. I will focus on deepening our connections with current partners and seeking out new collaborations that align with our mission. To promote these partnerships, I will create detailed profiles and promotional materials for each organization, highlighting how their initiatives align with Key Club's values. I will also organize joint events and service projects that bring Key Clubbers and partners together, fostering stronger bonds and greater impact.

O

Effective **outreach** involves educating members about available opportunities and creating new ones to keep them engaged. By highlighting the various roles and projects available, I will ensure members are informed and motivated. I will also develop workshops and guides that inspire clubs to incorporate partners into their service activities, thereby enhancing our outreach efforts. Outreach will also include leveraging social media and other communication platforms to share success stories and opportunities, making information easily accessible to all members.

W

Promoting diversity, equity, and inclusion is essential for Key Club's global growth and the wellness of every Key Clubber. I will support the 2021-2026 Strategic Plan by collaborating with the International Board to offer translated resource guides and advocate for increased funding so more Key Clubbers can experience all of the wonderful events Key Club has to offer. By fostering a welcoming and inclusive environment, I aim to ensure all members feel valued and integrated into the K-Family community. This will include utilizing social media for members to share their diverse experiences in Key Club.

WHAT'S UP KEY CLUBBERS!

I'm Rawan Magdi, and I'm incredibly excited to be here as a candidate for International Trustee! From being pulled to a random club meeting by my sister freshman year to running for an international position to say the least A LOT has changed. Thanks to events like DCON, I discovered the immense impact and potential of Key Club, and I dove in headfirst. Serving as lieutenant governor, meeting incredible individuals on the i-board, and representing Key Club at various events has not only boosted my confidence but also expanded my network globally. My favorite part? Giving back to my community. Now, I'm eager to share the skills and experiences I've gained to inspire more members to engage at the international level.

In Passion and Service, Rawan Magdi

GROW

I seek to aid in growing international and national districts by providing up-to-date resources closely customized to fit their district. By directing my attention to areas where we can enhance our performance, whether it's maintaining current memberships or fostering new ones. By identifying and addressing specific challenges, I can maximize my effort and specifically aid governors in their ideas to grow their district.

RECOGNIZE

I strive to recognize members and officers for the remarkable ways they have impacted their club, district, and most importantly, their community. By sharing monthly posts on joint district website and Instagram to recognize members, clubs, and officers showing their outstanding contributions to their communities and districts.

OPTIMIZE

I want to optimize the resources provided by this year's office and emphasize getting them to members. By extending my reach and making a Google Drive or Linktree for lieutenant governors to present as an international resource when visiting clubs. As a way for members to connect further with their trustee, district pairings, and, most importantly, Key Club International.

VERSATILE

Throughout my high school career, I have learned many exciting skills, most important being talking and collaborating with different people. Working as lieutenant governor for a large division has really helped me in customizing what resources fit what clubs need and by having these skills I can help governors in achieving their district specific goals. Furthermore, I aim to create an open space for members to share their opinions and ideas that they would like to podcast and learn from the international level.

ENHANCE

I strive to enhance and elevate the Key Club experience by achieving greater involvement at both district and international levels, finding fun ways to advertise for events, and developing fundraising ideas with international districts to get them to big events like ICON! I am dedicated to creating ways for members to explore and connect with their district pairing because it is an extremely fun way of connecting with other key clubbers!

FOR INTERNATIONAL TRUSTEE

HELLO KEY CLUBBERS!

It's time to **RAISE** the bar! My name is Sehar Sarang (She/Her), and I am extremely honored to be running for International Trustee. My passion for Key Club stems from the profound impact it has had on many lives. Key Club has developed leadership, increased service, and has instilled the value of community in today's youth. With my **RAISE** plan, I plan to **RAISE** the bar for Key Club International by tailoring support to district needs, prioritizing key focus areas, and developing strategic plans. With the proper leadership and support, I believe we can collectively **RAISE** the bar for service and leadership in Key Club International!

YOURS IN FRIENDSHIP AND SERVICE,

Sehar Sarang

R

RECONNECT. Reconnect districts by creating a communication platform to share ideas, service projects, and resources. This initiative will pair districts with more resources and experience with those that are less advantaged, creating mutual support and collaboration. By facilitating regular exchanges and joint initiatives, we can create a stronger Key Club community.

A

AMPLIFY. Amplify our impact by increasing engagement with members across popular Gen Z platforms such as Instagram and Tiktok. We'll focus on creating relatable and targeted content that resonates with today's youth. By leveraging these platforms, we can ensure that our message and mission reach a broader audience, encouraging greater participation in Key Club activities.

I

IDENTIFY. Identify key areas of focus within Key Club International through frequent surveys and open communication with district leaders and members. This will enable us to promote membership growth, support impactful service projects, and enhance leadership development. By continually assessing the needs and priorities of our districts, we can provide timely and effective support.

S

STRATEGIZE. Strategize actively to address the urgent issues and needs impacting our districts efficiently and promptly. Additionally, by aligning our efforts with the 2021-2026 Strategic Plan of Key Club International, we can achieve our goals more effectively and create lasting positive change.

E

EMPOWER. Empower more Key Clubbers by enhancing their service potential through programs like the Youth Opportunities Fund (YOF). By providing greater awareness and access to these resources, we can help members maximize their impact in their communities. This initiative will further support our members in executing meaningful and impactful service projects.

For International Trustee

Hey, Key Clubbers!!

My name is Thi Nguyen, I am truly honored to be running as your next International Trustee!! Key Club has changed my life for the better and has allowed me to break out of my shell. When I first started out as a freshman I didn't think my voice mattered and I didn't think I had the power to make changes. Key Club has shown and empowered me to understand that I can make an impact. Key Club has taught me that the skies the limit. This is exactly why I want to be an international trustee, to help make changes that can impact Key Club International for the better and empower students with one of the biggest platforms available through Key Club in the same way Key Club has empowered me.
