

TRICK OR TREAT FOR UNICEF

KEY CLUB®

Make Halloween Mean More!

WELCOME!

Since children first collected coins on Halloween night – to help others after World War II – Trick-or-Treat for UNICEF has been a symbol of coming together to make a difference for kids. This year, the little orange box is back! A point of nostalgia for many adults, the box is a great way for Key Club and Builders Club to work with UNICEF and help kids in through the Start Strong: Zambia project. Joining in the campaign this October means being part of the longest running youth engagement campaign in the United States, one that's raised nearly **\$200 million for lifesaving programs around the world.**

WHERE THE FUNDS GO

Trick-or-Treat for UNICEF donations raised by Key Club and Builders Club will go to Start Strong: Zambia. This Key Club project supports UNICEF's early childhood development work in Zambia with a focus on providing sustainable, community-based support for children, families and caretakers.

What UNICEF accomplishes with your help:

- Builds innovative community centers called Insakas with spaces for children to learn and play.
- Trains community-based volunteers, health care providers and teachers to create a nurturing environment.
- Provides age-appropriate toys to encourage child development.
